We want to support and help students of higher medical educational establishments of Ukraine, that are located in areas, where active combats are taking place as part of KMU Humanitarian Mission. Thus we are launching the free of charge academic mobility program within Ukraine.

We invite Ukrainian (Ukrainian medium) and international students (English medium) who want to study certain subjects of specialties 222 "Medicine", 221 "Dentistry" and 226 "Pharmacy, Industrial Pharmacy" under the program of internal academic mobility, which will last until the end of 2021/2022 academic year.

Students participating in academic mobility program will receive an academic certificate based on the results of their studies, confirming that they have mastered the relevant educational components and received the appropriate number of ECTS credits. Such a certificate will be the basis for the recognition of relevant credits at your University.

Just a few simple steps – and you're in our team!

Fill out the registration form ([link](#)).

Wait until our academic mobility program coordinator contacts you and announces that you have successfully joined the program.

Within two days, you will receive (via e-mail) your login and password, instructions for using Google tools, training rules, and class schedules.

Congratulations! You now have access to all resources and are part of academic group! Good luck! Glory to Ukraine!
