Survey of Graduates of the Private Higher Education Institution “Kyiv Medical University”

Dear graduates of Kyiv Medical University,

It is thanks to you that our University can improve every day. To enhance the quality of teaching, we have prepared an anonymous survey aimed at assessing your satisfaction with the skills and competencies acquired during your studies.

This will take only a few minutes but will have a real impact on improvements in the educational process.

✦ The survey is completely anonymous — no names or surnames are recorded. Department staff do not have access to your responses, and the KMU Education Quality Monitoring Department will receive only aggregated results.

🔒 Important:

- Please use your corporate e-mail (@kmu.edu.ua)
- Answer honestly — your voice matters

Let's make KMU even better — together!

CLOSED QUESTIONS:

- Which educational program did you study? Medicine / Dentistry
- I have learned to collect accurate patient information (1–5)
- I have learned to make a diagnosis (1–5)
- I have learned to perform an accurate physical examination (1–5)
- I have mastered procedures/skills related to my specialty (1–5)
- I have learned to identify opportunities and directions for self-improvement (1–5)
- Practical training taught me to communicate effectively with patients and their relatives (1–5)

- I have learned to work in a team with other members of the medical team (1–5)
 - I have developed a sufficient foundation of medical knowledge (1–5)
 - I have learned to apply my knowledge in a clinical context (1–5)
-

OPEN QUESTION:

- Please provide your suggestions for improving the preparation of specialists at the University.
